From the application submitted and the investigation made, it appears that the service authorized under these Certificates is still needed in order to serve the requirements of public convenience and necessity in the premises; and it further appears that the service will in nowise be impaired on account of the transfer involved in this application. And, it further appears that the application should be granted without the formality of a public hearing.

AND IT IS SO ORDERED:

BY ORDER OF THE COMMISSION:

Chairman

ATTEST:

Director of Administration
